LETTER OF COMMENDATION

People En Español and OCI Group would like to thank you for your support of Festival People en Español 2014.

This year, we were able to reach thousands of young people and their families over Labor Day weekend at the Henry B. González Convention Center. There were free panels that explored topics such as education, immigration and health and wellness sponsored by Disney, Coca Cola, Jeep, COVERGIRL and HEB among others. All who attended were able to leave informed and inspired. The success of Festival People en Español relies heavily on community participation and your help engaging your students and families is appreciated. Whether it was by coordinating transportation for your students or sharing information about Festival with your students and families, your contribution helped to ensure our success.

We know that education is at the heart of our community and investing in our youth is the foundation. As educators, we thank you for your diligence and commitment to “inspiring the next generation” on a daily basis.

We present you with a small token of our appreciation in recognition of your hard work and dedication. We look forward to working with you in the future.

Sincerely,
