

Math and Science

Knight Camp

Lego Robotics

Let us help your child like math and science this summer.

In our program, your third through fifth grader will:

- strengthening their math and science knowledge through games & project lessons.
- Share lunch and play time together.
- Design, execute, and solve problems using Lego Robotics programming skills.

When: June 8, 2013 to July 2, 2015 (Monday – Thursday)

Time: 8:00am to 2:00pm

Where: Holy Cross of San Antonio Campus

Price: \$250 this includes lunch each day (sandwich, chips, sweet snack and drink).

For more information or to register, please contact Richard Vasquez at 210-436-4254 or at Richard.Vasquez@holycross-sa.org.
