

## Current Student & Alumni Testimonials

**John Libby, Class of 2012**—“I can honestly say that without the summer strength program at HC I would not have been an All-District and All-State award recipient while in high school. I also credit the camps for my current scholarship allowing me to further my education and play division II football at Oklahoma Panhandle State University.” -OPSU 2016

**Mallory Ozuna, Class of 2014**—“Since I have been involved with the programs at HC I have become an overall better athlete both physically and mentally. I know that with this training I will have a better opportunity to further my athletic endeavors of playing volleyball at the next level.”

**Joseph Pena, Class of 2017**—“As a Junior Olympic world record holder in power lifting, I know that the camps at HC will help me to get even stronger and more agile. I look forward to the honor of wearing the gold helmet that represents so much. I know that the coaches will not let me fail and will be there to help me achieve all my goals every step of the way.”
