In reference to the letter that went out regarding reenrollment for the 2016- 2017 school year, Holy Cross of San Antonio would like to make clarifications on the new fees that are related to the reenrollment process. The fees directly pay RenWeb and FACTS for our new services.

Breakdown of Reenrollment Fees:

\$45- FACTS Payment processing fee (**charge will process within 14 days of business office approval. Email notification will be sent from FACTS**)

\$30- Grant/ Aid fee (**This fee is only assessed if you apply or are interested in aid from Hope for the future or Holy Cross internal aid. Also, July 15th is the cutoff date for aid applications**) *

\$25- Online Enrollment/ Reenrollment 3/23/ 16 – 5/20/16 (Early Bird Recommended)

\$50- Online Enrollment/ Reenrollment 5/20/ 16 – 6/17/16

Recommendation:

Holy Cross recommends signing up with your bank account. The other option is signing up with a credit/debit card that will charge 2.75% per transaction.

Holy Cross is not increasing tuition, these fees are associated with the new online enrollment/reenrollment program. The official policy of the school is that all parents are obligated to sign up with FACTS if there is an intent to reenroll for the 2016- 2017 school year.

*not all fees may apply

*If registered after 6/17/2016, it will affect your scheduled payment plan option.
