

# SAT School Day Information

When: October 19<sup>th</sup>, 2016

Where: At Holy Cross During the School Day

Parents and Seniors,

Holy Cross has been granted access to be a part of the SAT School Day program! On October 19<sup>th</sup>, all seniors will be taking the SAT during the school day. Testing starts in the morning and seniors should arrive no later than 7:45 am on October 19<sup>th</sup>. Ms. Weaver, the counselor, will be instructing the students on how to register for the exam. Once the registration process has begun, Ms. Weaver will send out an e-mail with further information on what the students need to bring on test day.

This test comes at no additional cost to the students & those who qualify for an SAT fee waiver still qualify to get up to 4 free college application fee-waivers. The fee-waivers also allow students to send up to four free additional score reports that they can order at any time while still in high school. This is a different fee-waiver than the regular SAT, so please contact Ms. Weaver to receive a fee waiver.

There are many benefits to taking the SAT on this day. Some of which are:

1. Weekday testing does not interfere with weekend work or family obligations.
2. Students do not have to worry about transportation or trying to locate the testing site because they test in their own schools.
3. Test-day stress is lower because students are in a familiar location with familiar staff.
4. The more often you take the SAT, the more likely your scores will increase.

Students must create an account at [Collegeboard.org](http://Collegeboard.org) if they have not already done so to be able to receive their scores and send them to colleges. Holy Cross encourages all senior students to study for the SAT. College Board + Kahn Academy offers free, personalized SAT practice resources which provides practice tests, interactive practice, short quizzes to pinpoint areas for practice, and instant feedback. For further questions about Kahn Academy feel free to contact Ms. Weaver.

As the test day gets closer more information will be sent out. If you have any questions about SAT School Day please contact Ms. Weaver at:
