DANIEL ANTHONY GUTIERREZ
1988-2006

To the coaches he was a son, to his friends, a brother, to his family, a saint. As a student, D-Gut started his journey of faith at St. John Berchmans. D-Gut continued his Catholic education and followed his heart to Holy Cross of San Antonio. D-Gut maintained a high GPA from middle school all the way through high school. As a member of National Junior Honor Society and National Honor Society in high school, Daniel showed his commitment as a student-athlete, student being priority. All-State in baseball, Honorable-Mention in football and quite the soccer and basketball player, proved D-Gut to be the true athlete... As a friend, He stood by his word and never backed down from a promise. As a Holy Cross man, Daniel was a true scholar. He exhibited excellence through his punctuality and class. This gentleman knew what it meant to respect others and possessed the qualities necessary to conquer any challenge. Daniel's legacy will forever live on.
